

PETITION to Wilmot Township Mayor Natasha Salonen and Wilmot Township Council

We the undersigned residents of Ontario, call upon the Township of Wilmot to support the demands of Wilmot Citizens that we are an UNWILLING HOST for a mega-industrial facility and accompanying development contrary to our Regional Official Plan & Wilmot Township Official plan:

1. We request Mayor Natasha Salonen introduce a motion that we are an UNWILLING host for this mega-industrial facility and accompanying unplanned development contrary to our Regional Official Plan and Wilmot Township-Official Plan,
2. Wilmot Council approve the motion and make clear to the Region of Waterloo and Province that we not a WILLING HOST for this site and process.
3. That a proper planning process with fulsome public consultation and engagement be undertaken to find a superior location for the mega-industrial site that minimizes farmland loss and environmental impact.
4. There is a complete and immediate reinstatement of the Countryside Line to provide long term planning certainly in Wilmot and Waterloo Region.

I acknowledge that my information may become part of the public record.

PETITION to Wilmot Township Mayor Natasha Salonen and Wilmot Township Council

We the undersigned residents of Ontario, call upon the Township of Wilmot to support the demands of Wilmot Citizens that we are an UNWILLING HOST for a mega-industrial facility and accompanying development contrary to our Regional Official Plan & Wilmot Township Official plan:

1. We request Mayor Natasha Salonen introduce a motion that we are an UNWILLING host for this mega-industrial facility and accompanying unplanned development contrary to our Regional Official Plan and Wilmot Township-Official Plan, 2. Wilmot Council approve the motion and make clear to the Region of Waterloo and Province that we are not a WILLING HOST for this site and process,
2. Wilmot Council approve the motion and make clear to the Region of Waterloo and Province that we not a WILLING HOST for this site and process.
- 3, That a proper planning process with fulsome public consultation and engagement be undertaken to find a superior location for the mega-industrial site that minimizes farmland loss and environmental impact.
4. There is a complete and immediate reinstatement of the Countryside Line to provide long term planning certainly in Wilmot and Waterloo Region.

I acknowledge that my information may become part of the public record.
