I understand that Wilmot Council will be deliberating the 2025 Budget on Tues. Jan. 7, 2025.

As a 30 year resident and tax payer, I wish you to consider that past Township Council's over the last 10 to 15 years **gradually** buried us into near financial bankruptcy where we now find ourselves.

The fix can not be resolved in one single hit to the taxpayers (at 51% increase). You need to seek a recovery plan that is fiscally responsible, **intentional but yet gradual**, i.e. over 4-7 years.

Thank you for your time,

David Sisco
