Re: Property Tax Increase

We are shocked and disappointed and wish to express our deep concern that Wilmot township is requesting a tax increase of over 50%. This increase is unacceptable for all residents of Wilmot.

We are requesting that the elected councillors and the mayor provide the necessary leadership and make thoughtful and difficult decisions to achieve a reasonable tax increase for 2025. Your decisions must reflect the fact that you were elected by the public to act in our best financial interests.

Reagrds,
Kathryn and Bob Hadley
