Hello

On attending WilCAN's recent town hall regarding the land assembly, I was advised to forward copies of my emails sent to Wilmot's councillor's to you. I am forwarding a copy of my email dated February 9 addressed to Councillor Dunstall. I sent similar copies under separate email address to the four other councillors and to Mayor Salonen. Only Councillor Martin acknowledge receipt thereof.

Please acknowledge receipt of this email. Thanks.

Dear Lilliane

Based on the recent poll results as noted in Terry Pender's article published in The Record recently, I would urge you to support your constituents and please make a motion at council that Wilmot is not a willing host. Would you please acknowledge receipt of this email and confirm that it would be appropriate for you to so move.

Thanks.

Dear Mayor Salonen

Based on the recent poll results as noted in Terry Pender's article published in The Record on Saturday, February 9, I would urge you to show your support for your constituents and please entertain a motion at council that Wilmot is not a willing host. The uncertainty of the future and divisiveness that this issue has created needs to end. The farmers need to be given their lives back, especially in light of the province's suggestion that their land would be returned if nothing goes through. Would you kindly acknowledge receipt of this email.

Thanks.
