RE: Recreation and Parks Month June 2025

Access to parks and recreation is a fundamental human need that helps foster personal health, strong communities, and social inclusion. "June Recreation and Parks Month" (JRPM) celebrates the spectacular parks and recreation services and raises awareness for the role they play as a pathway to individual, community, and environmental well-being.

The Township of Wilmot will celebrate the month of June as Recreation and Parks Month. Community Services is promoting this initiative and encouraging various ways to be physically and mentally engaged and active both inside and outdoors with various programming throughout the month.

Throughout the month of June, the Township will be promoting through various engagement channels that will encourage all residents to embrace the opportunities for physical activity, exploration, and community connection that Community Services offers.
