---

#### RECOMMENDATION:

THAT Council approves an exemption to the Township of Wilmot Fireworks By-law 2023-17 for the municipal address known as 23 Meadowcliff Place, Mannheim for Saturday, June 28<sup>th</sup>, 2025, from 9:00 p.m.- 9:30 p.m.

#### SUMMARY:

An exemption is being sought to By-law 2023-17 being the Fireworks By-law to allow for the setting off of fireworks for a 65<sup>th</sup> Birthday celebration taking place on Saturday, June 28<sup>th</sup>, 2025 from 9:00 p.m. – 9:30 p.m.

The Committee of the Whole discussed and debated Report COR-2025-19 Fireworks By-law Exemption – 23 Meadowcliff Place, Mannheim at their meeting on May 5, 2025. Council asked Staff if there would be any liability with approving this by-law exemption.

#### BACKGROUND:

Section 121 of the Municipal Act, 2001, grants municipalities the power to pass by-laws regarding various aspects of public safety, including fireworks regulations. Specifically, it allows municipalities to prohibit or regulate the sale and setting off of fireworks.

The Township of Wilmot’s Fireworks By-law 2023-17 came into force and effect on April 3<sup>rd</sup>, 2023. The Fireworks By-law permits the setting off of fireworks on Victoria Day, Canada Day, Diwali, Lunar New Year and the days immediately before and after the aforementioned list.

Historically, Council has provided opportunities for exemptions to its By-laws on an ad-hoc basis, including the Noise By-law to support community events and special occasions for both public and private functions.

**REPORT:**

The Township has received a request for a Fireworks By-law exemption for a 65<sup>th</sup> Birthday celebration. Since the Canada Day holiday falls on a Tuesday this year, the applicant is requesting this exemption to allow for a small private rear yard fireworks display to celebrate this milestone birthday on Saturday, June 28<sup>th</sup>, 2025.

The Committee of the Whole forwarded the approval of the by-law exemption to Council to ratify the decision to approve the firework by-law exemption. The staff report was published on the Agenda for the May 5, 2025 Committee of the Whole Meeting and at the time of the writing of this report there has been no subsequent feedback received from neighbours.

Township Staff investigated the liability component of granting the by-law exemption. Fireworks liability typically refers to the legal responsibility for injuries, property damage, or other harm caused by fireworks, either during their manufacturing, sale, or use. The decision before Council is a policy decision, not an operational decision and therefore the decision is generally protected from an increased risk of liability. The consideration in this should be focussed on the alignment and best practices of the policies related to the matter.
