Attn:
Mayor Salonen and Council, Chair Redman and Council,

Objection to the Settlement of Jackson Harvest Farms LTD, 1894-1922
Witmer Road, Wilmot
CASE No.: OLT 22-003789

Please consider this letter of objection to the Settlement between Jackson Harvest Farms LTD, The Corporation of the Township of Wilmot and the Region of Waterloo.

This settlement excluded the CSGW and the electorate for comment.

It is my position that the both Regional and Wilmot Councils failed to uphold their duty to endorse the communities position and defend the inadequacies identified by Experts obtained by CSGW and the decision of Wilmot Council made in 2022.

Please include this for the public record and include it in the next council agenda package.

Jacob Gray
